LRB Number 05-1902/2	Introduction Number	AB-94	Estimate Type	Original					
Subject									
Remove the population cap for villages to have a combined protective services department									

Assumptions Used in Arriving at Fiscal Estimate

It is unknown how many villages now or in the future might choose the new permissive provision on the use of combined protective services as an option for police and fire protection, or the fiscal effects of such choices which would be dependent on the chosen level of service.

Long-Range Fiscal Implications

Unknown.
