AN ACT ~~to repeal~~ 301.46 (5) (c); **to amend** 301.46 (2) (e), 301.46 (2m) (c), 301.46 (4) (ag) (intro.) and 301.46 (5) (b) (intro.); and **to create** 938.78 (2) (h) of the statutes; **relating to:** individuals registered as sex offenders based upon a juvenile delinquency adjudication.

### *Analysis by the Legislative Reference Bureau*

Under current law, a person who commits sexual assault or a sex offense involving a child must register with the Department of Corrections (DOC) as a sex offender. Information from the sex offender registry is available to police chiefs and sheriffs who may provide that information on their own initiative to certain organizations (including schools, day care providers, and certain government agencies), individuals, and the public generally, if they determine that doing so is necessary to protect the public. In addition, organizations may request information regarding specific registrants from DOC, while individuals may request such information from either DOC or a police chief or sheriff. Current law, however, prohibits DOC and local law enforcement officers from disseminating information concerning a registrant who is a child or concerning a juvenile delinquency case in which the registrant was involved.
