24 memorials, describing each memorial and giving its location and condition. The  
25 department shall periodically update that catalog.

1           **45.72 County and municipal memorials.** (1) In this section and s. 45.73,  
2 “local unit of government” means a city, village, town, or county.

3           (2) Any local unit of government may by gift, purchase, contract, or  
4 condemnation acquire property, real or personal, for the purpose of providing,  
5 furnishing, constructing, erecting, repairing, maintaining, or conducting a suitable  
6 memorial to the memory of former residents thereof who lost their lives in the  
7 military or naval service of the state or of the United States, or to commemorate and  
8 honor the deeds of persons, residents thereof, or of the state or United States, who  
9 served the nation in any war, or other persons who rendered great state or national  
10 service, or to the memory of any president of the United States, or for a combination  
11 of any those purposes, which are declared to be public purposes.

12           (3) The local unit of government shall determine the character of the memorial,  
13 and without limitation because of enumeration, the memorial may comprise a public  
14 building, hospital, sanatorium, home for the aged or indigent, park, recreation  
15 facility, community forest, or other suitable object having a public purpose.

16           (4) Any local unit of government may appropriate money and may levy a tax  
17 to acquire, pay for, construct, erect, furnish, equip, operate, repair, maintain, or  
18 reconstruct a suitable memorial for the purpose or purposes provided in this section.

19           (5) Any local unit of government may authorize the use of any public property  
20 respectively of such city, village, town, or county as a site for a memorial, and any  
21 county may authorize its public property to be so used by any city, village, or town  
22 in the county.

23           (6) Any local unit of government may by ordinance or contract provide for the  
24 management, control, or operation of any memorial. The local unit of government  
25 may enter into a written lease, for a term not exceeding 25 years, with any duly

1 chartered and incorporated veterans organization established in the local unit of  
2 government. The lease shall include the provisions for the amount of rental and such  
3 conditions of public use as the local unit determines.

4 (7) Any local unit of government may contract with or make an appropriation,  
5 or both, to any other local unit of government or to any nonprofit corporation without  
6 capital stock organized expressly for any of the purposes of this section or to any duly  
7 chartered and incorporated veterans organization established in the local unit of  
8 government, and for the purpose of raising funds for memorial purposes or  
9 contributions. The local unit of government may levy taxes upon the taxable  
10 property located in the local unit of government, or borrow money and issue bonds  
11 in the manner and under the regulations provided by ch. 67. The facilities of the  
12 memorial shall be available to the residents of the local unit of government making  
13 the appropriation to the extent that the governing body of the local unit of  
14 government may require.

15 **45.73 Sites for veterans memorial halls.** (1) Any local unit of government  
16 may donate to any organization specified in s. 70.11 (9) land upon which is to be  
17 erected a memorial hall to contain the memorial tablet specified in s. 70.11 (9).

18 (2) The action of any local unit of government in granting veterans  
19 organizations or any other civic, patriotic, educational, or historical society rooms  
20 and space within public buildings for the establishment of memorial halls and  
21 museums, and occupancy thereof by its members, is authorized and confirmed. The  
22 local unit of government may permit the use and occupancy of the rooms and space  
23 for such terms and subject to such conditions and provisions as the local unit of  
24 government may impose. Any contract, lien, or agreement between the local unit of

1 government and any organization now in force shall continue in force according to  
2 the terms of the contract, lien, or agreement.

3 **45.74 Memorial corporations organized under 1919 act.** (1) Any  
4 commission or board of trustees that governs a corporation organized to construct a  
5 memorial under s. 45.057 (5), statutes of 1919 to 1943 (created by chapter 598, laws  
6 of 1919, and repealed by chapter 301, laws of 1945), shall have the following powers  
7 in addition to those it now has:

8 (a) All powers vested in the members of the corporation by the articles of  
9 incorporation or bylaws, including the power to amend the articles of incorporation.

10 (b) The powers set forth in s. 181.0302 and all other applicable provisions of ch.  
11 181.

12 (c) The power to convey any property under its control to any municipality and  
13 lease it back under terms agreed upon by the commission or board of trustees and  
14 the municipality.

15 (d) The power to dissolve the corporation and dispose of the real and personal  
16 property of the corporation in a manner that it deems will best serve the purposes  
17 for which it was organized and the interests of the community.

18 (2) The commission or board of trustees shall have a membership composed of  
19 5 residents of the city, village, or town in which the memorial is located, one  
20 appointed by the common council, village board, or town board of the city, village, or  
21 town, and 4 by the circuit judge of the county in which the memorial is located. The  
22 commission or board may appoint 4 additional members who are residents of this  
23 state. The terms of all members shall be 5 years. In order that terms of members  
24 may expire at different times, not more than 2 members shall be appointed in any

1 one year in addition to appointments made to fill vacancies occurring by resignation  
2 or death. Members shall hold office until their successors are appointed and qualify.

3 (3) Notwithstanding the repeal of s. 45.057, 1943 stats., by chapter 301, laws  
4 of 1945, the continuing existence of all commissions, boards, and corporations  
5 organized under s. 45.057 (5), statutes of 1919 to 1943, is affirmed, and the  
6 continuing operation of such commissions, boards, and corporations is ratified as to  
7 the past and authorized in the future.

8 **45.75 Memorials in populous counties.** (1) Any county having a population  
9 of 500,000 or more may establish and maintain a memorial or memorials in the  
10 county under s. 45.72 by agreement between the county board of the county and any  
11 nonprofit private corporation without capital stock organized under the laws of this  
12 state, except as provided in this section, expressly for any of the purposes of s. 45.72.

13 (2) The board of directors of the corporation shall be designated as the  
14 “memorial board,” and its members shall be called “trustees.” The membership of  
15 the memorial board may include special members, who need not be members of the  
16 corporation.

17 (3) The memorial board shall consist of 15 members, of whom 8 may be special  
18 members to be elected as provided in this section, and the remaining members shall  
19 be elected from the membership of the corporation.

20 (4) Special members of the memorial board shall be elected by the county board  
21 of such county and consist of the following:

22 (a) Four members from the county board.

23 (b) Four members elected from among the residents of the county.

24 (5) Terms of members of the memorial board shall be as follows:

25 (a) For special members:

1           1. Members elected from the county board shall be elected at the first meeting  
2 of the county board following each county board general election and their terms  
3 shall commence on that date. They shall hold office during their terms on the county  
4 board and until their successors are elected and qualified.

5           2. Members elected from among the residents shall hold office for 4 years and  
6 until their successors are elected, except that the first 4 such members shall be  
7 chosen for 1, 2, 3, and 4 years, respectively.

8           3. Any vacancy in the special membership shall be filled by the county board  
9 for the unexpired term, and until a successor is elected and qualified.

10           (b) For elected members from the corporate membership: the terms of the  
11 trustees shall be for such numbers of years that those of an equal number, as nearly  
12 as may be, shall expire in 2, 3, and 4 years, and successive terms of 4 years each  
13 thereafter and until their successors are elected and qualified.

14           (6) The articles of incorporation of the corporation shall provide originally or  
15 by amendment, in addition to other necessary provisions, and as permitted by this  
16 section, for the classification of the members of the corporation, for the election of  
17 trustees proportionately from and by those classifications, for the terms of the  
18 members of the corporation and for the officers, their duties, and the terms thereof  
19 to be elected from the membership.

20           (7) The war memorial may be constructed upon any land ceded before July 15,  
21 1953, by this state to any municipality in this state notwithstanding any restrictions,  
22 limitations, or conditions as to the nature of the use of any of the land contained in  
23 the legislative act, granting the land to the municipality, and notwithstanding the  
24 restrictions, limitations, or conditions incorporated in any subsequent conveyance  
25 of the lands by the municipality.

1 conditions listed in s. 45.01 (12) (a) to (d) and at least one of the conditions listed in  
2 s. 45.02 (2).

3 (c) In counties with a county executive or county administrator, the county  
4 executive or county administrator shall appoint and supervise a county veterans  
5 service officer who shall have the qualifications prescribed under par. (a). The  
6 appointment is subject to confirmation by the county board unless the county board,  
7 by ordinance, elects to waive confirmation or unless the appointment is made under  
8 a civil service system competitive examination procedure established under s. 59.52  
9 (8) or ch. 63.

10 (2) TERM. A county veterans service officer elected under sub. (1) (a) shall serve  
11 until the first Monday in January of the 2nd year subsequent to the year of his or her  
12 election, and, if reelected, shall continue to serve unless removed under s. 17.10 (2).

13 (3) SALARY. The salary of the county veterans service officer shall be fixed by  
14 the county board prior to or at the time of the service officer's election and annually  
15 thereafter.

16 (4) MILWAUKEE COUNTY. In counties having a population of 500,000 or more the  
17 officer shall be appointed subject to ss. 63.01 to 63.17.

18 (5) DUTIES. The county veterans service officer shall do all of the following:

19 (a) Advise persons living in the service officer's county who served in the U.S.  
20 armed forces regarding any benefits to which they may be entitled or any complaint  
21 or problem arising out of such service and render to them and their dependents all  
22 possible assistance.

23 (b) Make such reports to the county board as the county board requires.

24 (c) Cooperate with federal and state agencies that serve or grant aids or  
25 benefits to former military personnel and their dependents.

1 (d) Furnish information about veterans burial places within the county as  
2 required by s. 45.62 (2).

3 (e) Perform the duties prescribed by law, including those duties under pars. (a)  
4 to (d), separately and distinctly from any other county department.

5 **(6) PERMITTED ACTIVITIES.** The county veterans service officer may do any of the  
6 following:

7 (a) Inform persons living in the service officer's county who are members of the  
8 national guard or of a reserve unit of the U.S. armed forces or dependents of those  
9 persons regarding potential benefits to which they may be or may become entitled  
10 and regarding all necessary military points of contact and general deployment  
11 information for activated and deployed members of the national guard or reserve  
12 units of the U.S. armed forces.

13 (b) Cooperate with federal and state agencies that serve or grant aids or  
14 benefits to members of the national guard or reserve units of the U.S. armed forces  
15 and their dependents.

16 **(7) OFFICE SPACE AND ASSISTANTS.** (a) The county board shall provide the county  
17 veterans service officer with office space, clerical assistance, and any other needs  
18 that will enable the officer to perform the duties under sub. (5).

19 (b) Except as provided under par. (c), the county board may appoint assistant  
20 county veterans service officers who shall be Wisconsin residents who served on  
21 active duty under honorable conditions in the U.S. armed forces or in forces  
22 incorporated as part of the U.S. armed forces for 2 consecutive years. An individual  
23 who is discharged for reasons of hardship or a service-connected disability or  
24 released due to a reduction in the U.S. armed forces or for the good of the service prior

1 to the completion of the required period of service is eligible for appointment to the  
2 office, regardless of the actual time served.

3 (c) In any county with a county executive or county administrator, the county  
4 veterans service officer may appoint assistant county veterans service officers who  
5 shall have the qualifications prescribed under par. (b).

6 (8) GRANTS TO COUNTIES AND TRIBES FOR IMPROVEMENT OF SERVICES. (a) Each  
7 county may annually apply to the department for a grant for the improvement of  
8 service to former military personnel of the county through the county veterans  
9 service office. A county may not allocate any portion of a grant for use by another  
10 county department nor may the county reduce funding to a county veterans service  
11 office based upon receipt of a grant. The county veterans service officer of any county  
12 applying for the grant shall enter into an agreement with the department. The  
13 agreement shall state the goals and objectives to be attained by the county veterans  
14 service office during the remainder of the year covered by the grant application. The  
15 department shall prepare the basic form of this agreement in consultation with the  
16 county veterans service officers association and provide a copy and an explanation  
17 of that agreement to each county veterans service officer. The department shall  
18 develop reasonable budget and operating standards to assure improved services, but  
19 full operating control of the county office shall be left to each county.

20 (b) The department shall award a grant annually to a county that meets the  
21 standards developed under this subsection and employs a county veterans service  
22 officer who, if chosen after August 9, 1989, is chosen from a list of candidates who  
23 have taken a civil service examination for the position of county veterans service  
24 officer developed and administered by the division of merit recruitment and selection  
25 in the office of state employment relations, or is appointed under a civil service

1 competitive examination procedure under s. 59.52 (8) or ch. 63. The grant shall be  
2 \$8,500 for a county with a population of less than 20,000, \$10,000 for a county with  
3 a population of 20,000 to 45,499, \$11,500 for a county with a population of 45,500 to  
4 74,999, and \$13,000 for a county with a population of 75,000 or more. The  
5 department shall use the most recent Wisconsin official population estimates  
6 prepared by the demographic services center when making grants under this  
7 paragraph.

8 (c) Notwithstanding par. (b), an eligible county with a part-time county  
9 veterans service officer shall be eligible for an annual grant not exceeding \$500.

10 (d) The department shall provide grants to the governing bodies of federally  
11 recognized American Indian tribes and bands from the appropriation under s. 20.485  
12 (2) (vz) if that governing body enters into an agreement with the department  
13 regarding the creation, goals, and objectives of a tribal veterans service officer,  
14 appoints a veteran to act as a tribal veterans service officer, and gives that veteran  
15 duties similar to the duties described in sub. (5), except that the veteran shall report  
16 to the governing body of the tribe or band. The department may make annual grants  
17 of up to \$2,500 under this paragraph and shall promulgate rules to implement this  
18 paragraph.

19 (9) TRANSPORTATION SERVICES GRANTS TO COUNTIES. (a) Annually, from the  
20 appropriation under s. 20.485 (2) (s), the department shall award grants to counties  
21 that are not served by transportation services provided by the Wisconsin department  
22 of Disabled American Veterans to develop, maintain, and expand transportation  
23 services for veterans. The grants may be used to support multicounty cooperative  
24 transportation services.

1 (b) The department shall promulgate rules specifying the application  
2 procedures and eligibility criteria for grants under this subsection.

3 (c) A county may not reduce funding to a county veterans service office based  
4 upon receipt of a grant.

*OK*  
*drafting*  
\*\*\*\*NOTE: Under current law, this language provides that a county may not allocate any portion of a grant awarded for transportation services “for use by another county department” and “may not reduce funding to a county veterans service office based upon receipt of a grant.” The special committee considered the first phrase to be vague and eliminated it, concluding that retaining just the 2nd phrase was sufficient.

5 (10) QUALIFICATIONS APPLICABILITY. The qualifications necessary to be a county  
6 veterans service officer or assistant county veterans service officer under subs. (1)  
7 (a) and (7) (b) apply only to persons elected to serve as county veterans service officers  
8 or assistant county veterans service officers on or after June 1, 1996, and who have  
9 not served as county veterans service officers or assistant county veterans service  
10 officers before June 1, 1996.

11 **45.81 County veterans service commission.** (1) There is created in each  
12 county a county veterans service commission consisting of 3 residents of the county  
13 who are veterans appointed for staggered 3-year terms by the county executive or  
14 county board chairperson in a county that does not have a county executive.

15 (2) The commission shall be organized by the election of one of their number  
16 as chairperson. The county executive or county board chairperson in a county that  
17 does not have a county executive after the expiration of the terms of those first  
18 appointed shall annually on or before the 2nd Monday in December appoint one  
19 person as a member of the commission for the term of 3 years. The county executive  
20 or county board chairperson shall require each member of the commission and the  
21 county veterans service officer to execute to the county an individual surety bond,  
22 with sufficient sureties to be approved by the county executive or county board

1 chairperson, each bond to be in an amount equal to the tax levied in the current year  
2 for expenditure by the commission. Each bond shall be filed with the county clerk.

3 (3) (a) Except as provided under sub. (4), the commission may furnish aid to  
4 any person described in s. 45.85 if the right of that person to aid is established to the  
5 commission's satisfaction.

6 (b) The secretary of the commission shall maintain a list containing the name,  
7 place of residence, and amount of aid furnished to each person under par. (a), which  
8 shall be signed by the chairperson and secretary of the commission.

9 (c) The total disbursements made by the commission under this subsection may  
10 not exceed the amount collected from the tax levied, except when specifically  
11 authorized by the county board. The commission shall provide the county treasurer  
12 with sufficient information to deliver the specified aid to the person entitled to that  
13 aid.

14 (d) The commission may furnish aid in a different manner than by supplying  
15 money. The commission may request the county treasurer to pay a purveyor of  
16 services or commodities for the purchase of services or commodities, or the  
17 commission may furnish supplies, as it considers appropriate.

18 (e) The commission shall make a detailed report to the county board annually  
19 showing the amount expended under this subsection. The report may not include  
20 any personal identifying information regarding the persons that received aid under  
21 this subsection.

F (3) \*\*\*NOTE: Under current law, a county veterans service commission (CVSO) is  
authorized to furnish aid to a needy veteran or specified family members. The commission  
secretary is required to provide a list of aid recipients and the amount of aid received to  
the county clerk, who then passes that information on to the county treasurer for  
disbursal of aid. The commission is required to make a detailed report to the county board  
showing the amount expended.

There seems to be reluctance on the part of CVSOs to make that list too widely available, due to privacy concerns of the needy veterans and their families. Therefore, this bill provides that the commission's list of aid recipients and amounts is to go directly to the county treasurer for disbursement of aid and that the report to the county board may not include any personal identifying information regarding aid recipients.

1           (4) A county veterans service officer appointed under s. 45.80 (1) (b) or (4) shall  
2 have the administrative powers and duties prescribed for the county veterans service  
3 commission under sub. (2).

4           (5) The county board shall allow the members of the commission a reasonable  
5 rate of compensation for services and actual expenses incurred in the performance  
6 of their duties to be determined under s. 59.22. The county board may provide for  
7 the employment of clerical assistance to the commission.

8           **45.82 Records of meetings and investigations kept by service officer.**

9 The county veterans service officer shall serve as executive secretary of the county  
10 veterans service commission and shall make or direct all necessary investigations to  
11 determine eligibility for aid under s. 45.85 when the commission so requests. The  
12 county service officer, in making an investigation, may use the facilities for  
13 investigating that are made available by the county board.

14           **45.83 Burial allowance.** (1) Each county veterans service officer shall cause  
15 to be interred in a decent and respectable manner in any cemetery in this state, other  
16 than those used exclusively for the burial of paupers, the body of any veteran, spouse,  
17 or surviving spouse who was living in the county at the time of death and who dies  
18 not leaving sufficient means to defray the necessary expenses of a decent burial, or  
19 under circumstances that would cause financial distress to the person's family. The  
20 cost of this interment shall be the responsibility of the county, but may not exceed  
21 \$300, and shall be in addition to the burial allowance payable under laws  
22 administered by the U.S. department of veterans affairs.

Ⓚ  
A

\*\*\*\*NOTE: This provision relates to burial of indigent veterans at county expense. The bill retains current law which provides that the cost of interment is the county's responsibility, cannot exceed \$300, and is in addition to any federal burial allowance. However, committee member and CVSO Ken Brown has recommended alternative language for the full committee's consideration that would eliminate the specific dollar amount and instead provide that the cost of interment shall be "at a rate to be determined by the county."

1           (2) Before assuming the burial expense, the county veterans service officer  
2 shall exercise due diligence in attempting to determine the financial condition  
3 required by sub. (1). The county veterans service officer, in making the inquiry, may  
4 use the facilities for investigation that are made available by the county board. The  
5 county veterans service officer shall report the results of that determination to the  
6 appropriate authorities designated by the county.

Ⓚ

\*\*\*\*NOTE: Under current law, before assuming the burial expense, the CVSO must determine whether the veteran or family member has died with insufficient means to cover the expenses and report the results of that determination to the county clerk. In this bill, that report would be made to the "appropriate authorities designated by the county."

7           (3) The chairperson of the county board and the clerk of the county on the  
8 receipt of the report under sub. (2) shall draw an order on the county treasurer for  
9 the amount of expenses so incurred, payable to the person designated in the report  
10 as being entitled to that payment. The county veterans service officer of each county  
11 shall, upon the death and burial of a veteran described under sub. (1) who was living  
12 in the county at the time of death, make application to the proper authorities for a  
13 suitable headstone as provided for by act of congress, and at the expense of the county  
14 cause the same to be placed at the head of the deceased's grave.

15           **45.84 Care of graves.** (1) Every town board, village board, or common council  
16 of every city shall at all times see that the graves and tombstones of all veterans,  
17 including women's auxiliary organizations created by act of Congress, who shall at  
18 any time have served in any branch of the armed forces of the United States, and of  
19 the spouses or surviving spouses of all those veterans, receive proper and decent care,

1 and may employ all necessary assistance to carry out this section. The expense of  
2 the care of the graves and tombstones shall be borne by the county where the graves  
3 are located, except where suitable care is otherwise provided. The amount of expense  
4 charged the county for the care may not exceed the charge made for the care of other  
5 graves in the same cemetery.

6 (2) The governing body specified in sub. (1) shall report to the county clerk of  
7 its county, on or before September 1 of each year, the locations of the graves cared for  
8 by the governing body under sub. (1), together with the names of the deceased and  
9 the amount claimed for care of the graves for the fiscal year from the previous July  
10 1 to June 30.

11 (3) The chairperson of the county board and the county clerk, upon receipt of  
12 the report under sub. (2), shall draw an order on the county treasurer for the amount  
13 of the expenses incurred in caring for the graves, payable to the person or persons  
14 designated in the report as being entitled to the payment.

15 **45.85 County tax for needy veterans.** (1) Every county board shall  
16 annually levy, in addition to all other taxes, a tax sufficient to carry out the purposes  
17 of this section. The tax shall be levied and collected as other county taxes for the  
18 purpose of providing aid to needy veterans, the needy spouses, surviving spouses,  
19 minor and dependent children of the veterans, and the needy parents of veterans  
20 entitled to aid under ss. 45.81 to 45.83, and to carry out the purposes of s. 45.84. Aid  
21 may not be denied solely on the basis that a person otherwise eligible for aid owns  
22 a homestead that the person occupies.

23 (2) The county veterans service commission or county veterans service officer
