2 supplement the appropriation under s. 20.485 (2) (vm) in an amount equal to the  
3 amount that the department expects to expend under this subsection.  
4 Notwithstanding s. 13.101 (3) (a), the committee is not required to find that an  
5 emergency exists. If the cochairpersons of the committee do not notify the secretary  
6 within 14 working days after the date of the department's submittal that the  
7 committee intends to schedule a meeting to review the request, the appropriation  
8 account shall be supplemented as provided in the request. If, within 14 working days  
9 after the date of the department's submittal, the cochairpersons of the committee  
10 notify the secretary that the committee intends to schedule a meeting to review the  
11 request, the appropriation account shall be supplemented only as approved by the  
12 committee.

13 (2) HEALTH CARE AID. The department may provide temporary health care aid  
14 for a veteran or the dependent of a veteran if the department considers it advisable  
15 to prevent undue hardship. Health care aid to pay medical or hospital bills under  
16 this subsection is limited to a payment of up to \$5,000 per veteran or dependent for  
17 a 12-month period beginning on the first day of care for which the person seeks  
18 reimbursement under this subsection. The department may issue a certificate of  
19 entitlement stating that a veteran or dependent is eligible for health care aid under  
20 this subsection if the treatment is received within a time period that the department  
21 promulgates by rule. The department may not provide health care aid to pay for care  
22 provided to the veteran or dependent before the time period identified in the  
23 certificate of entitlement, except for emergency care, as determined by the  
24 department, if the application for the health care aid is submitted within 90 days  
25 after the emergency care ends. Health care aid may be used to provide payment for

1 the treatment of alcoholism or other drug addiction or to provide payment for health  
2 care required because of alcoholism or other drug addiction or alcohol or other drug  
3 abuse. The department may not provide health care aid under this subsection unless  
4 the person's health care provider agrees to accept, as full payment for the medical  
5 treatment for which the aid is to be granted, the amount of the aid, the amount of the  
6 person's health insurance or other 3rd-party payments, if any, and the amount that  
7 the department determines the person is capable of paying. The department may not  
8 provide health care aid under this subsection if the combined liquid assets of the  
9 veteran and veteran's dependents who are living in the same household are in excess  
10 of \$1,000.

11 (3) APPROPRIATIONS. The department may provide aid under this section from  
12 the appropriation in s. 20.485 (2) (vm). Nothing in this section empowers the  
13 department to incur any state debt.

20 veterans organization that establishes that it, or its national organization, or both,  
21 has maintained a full-time service office at the regional office for 5 consecutive years

23 be calculated based on the total amount of all salaries and travel expenses under sub.

24 (3) paid during the previous fiscal year by the state veterans organization to

1 employees engaged in veterans claims service and stationed at the regional office.

2 The payment shall be as follows:

3 (a) If the total amount paid under sub. (3) is from \$1 to \$2,499, the organization

1 of the state veterans organization stating that the organization, on its own or with  
2 its national organization, maintained a full-time service office at the regional office  
3 for the entire 12-month period for which application for a payment is made.

\*\*\*\*NOTE: Under current law, state veterans organizations may apply to DVA to receive payments for services they provide to veterans at the regional U.S. DVA office. To receive reimbursement, the organizations must have maintained a full-time service office at the regional office for 5 of the 10 years preceding application. The bill clarifies here and in s. 45.41 (3) that the service must have been provided for 5 consecutive years within that 10-year period.

4 (4) From the appropriation under s. 20.485 (2) (s), the department shall  
5 annually provide a payment of \$100,000 to the Wisconsin department of the Disabled

1           (4) The department may execute necessary instruments, collect interest and  
2 principal, compromise indebtedness, sue and be sued, post bonds, and write off  
3 indebtedness that it considers uncollectible. If a loan under this section is secured  
4 by a real estate mortgage, the department may exercise the rights of owners and  
5 mortgagees generally and the rights and powers set forth in s. 45.32. The  
6 department shall pay all interest and principal repaid on the loan into the veterans  
7 trust fund.

8           (5) The department may charge loan expenses incurred under this section to

21 its designee within 7 working days before the date of the application.

22           (c) Agrees to use the loan proceeds to pay any delinquent child support or  
23 maintenance payments and to pay any past support, medical expenses, or birth  
24 expenses if the applicant fails to meet the requirements under par. (a) or (b).

1           (7) No person may receive a loan under this section in an amount that, when  
2 added to the balance outstanding on the person's existing loans under s. 45.351 (2),  
3 1995 stats., and s. 45.356, 1995 stats., would result in a total indebtedness to the  
4 department of more than \$25,000.

5           (8) (a) The department may borrow from the veterans mortgage loan  
6 repayment fund under s. 45.37 (7) (a) to obtain money to make loans under this

10 under this paragraph may include the sale of loans.

11           (9) Subject to the limits established in subs. (2) and (3), the department may  
12 periodically adjust the maximum loan amount based upon financial market  
13 conditions, funds available, needs of the veterans trust funds, or other factors that  
14 the department considers relevant.

15           (10) The department may periodically adjust the interest rates for loans made  
16 under this section, which may vary based upon the term of the loan, the type of  
17 security offered, the method of payment, or other factors that the department  
18 considers relevant.

19           (11) If an applicant's total indebtedness for loans made under this section is  
20 more than \$5,000, the loan shall be evidenced by a promissory note and secured by  
21 a mortgage on real estate located in this state. A loan of \$5,000 or less made to an  
22 applicant whose total indebtedness for loans made under this section is \$5,000 or less  
23 shall be evidenced by a promissory note and secured by a guarantor or by a mortgage  
24 on real estate located in this state. A mortgage securing a loan made under this

\*\*\*\*NOTE: Under current law, DVA is required to employ a commandant at the  
Veterans Home at King and the Veterans Home at Union Grove. This bill requires DVA  
to employ a commandant at the Veterans Home at Union Grove and permits DVA to  
employ a commandant at the Veterans Home at Chippewa Falls.

6 (b) All moneys received as reimbursement for services to veterans homes  
7 employees or as payment for meals served to guests at veterans homes shall be  
8 accumulated in an account named "employee maintenance credits" and shall be paid  
9 into the general fund within one week after receipt and credited to the appropriation  
10 under s. 20.485 (1) (gk).

11 (c) Veterans homes with a skilled nursing facility shall include a geriatric

8 title has been examined and approved by the attorney general. Every such deed of  
9 conveyance shall be immediately recorded in the office of the proper register of deeds  
10 and filed with the secretary of state.

\*\*\*\*NOTE: Under current law, DVA is authorized to acquire by gift, purchase, or

15 may make runs and render fire fighting service beyond the confines of a veterans  
16 home.

21 county may annually apply to the department for a grant for the improvement of  
22 service to former military personnel of the county through the county veterans  
23 service office. A county may not allocate any portion of a grant for use by another  
24 county department nor may the county reduce funding to a county veterans service  
25

1 office based upon receipt of a grant. The county veterans service officer of any county  
 2 applying for the grant shall enter into an agreement with the department. The  
 3 agreement shall state the goals and objectives to be attained by the county veterans  
 4 service office during the remainder of the year covered by the grant application. The  
 5 department shall prepare the basic form of this agreement in consultation with the  
 6 county veterans service officers association and provide a copy and an explanation  
 7 of that agreement to each county veterans service officer. The department shall  
 8 develop reasonable budget and operating standards to assure improved services, but  
 9 full operating control of the county office shall be left to each county.

10 <sup>(2)</sup> ~~(1)~~ The department shall award a grant annually to a county that meets the  
 11 standards developed under this <sup>2</sup> ~~sub~~section and employs a county veterans service  
 12 officer who, if chosen after August 9, 1989, is chosen from a list of candidates who  
 13 have taken a civil service examination for the position of county veterans service  
 14 officer developed and administered by the division of merit recruitment and selection  
 15 in the office of state employment relations, or is appointed under a civil service  
 16 competitive examination procedure under s. 59.52 (8) or ch. 63. The grant shall be  
 17 \$8,500 for a county with a population of less than 20,000, \$10,000 for a county with  
 18 a population of 20,000 to 45,499, \$11,500 for a county with a population of 45,500 to  
 19 74,999, and \$13,000 for a county with a population of 75,000 or more. The  
 20 department shall use the most recent Wisconsin official population estimates  
 21 prepared by the demographic services center when making grants under this

22 <sup>Subsection</sup> ~~paragraph~~

23 <sup>(3)</sup> ~~(2)~~ Notwithstanding ~~par. (b)~~ <sup>sub(2)</sup>, an eligible county with a part-time county  
 24 veterans service officer shall be eligible for an annual grant not exceeding \$500.

(1) <sup>(4)</sup> ~~(1)~~ The department shall provide grants to the governing bodies of federally  
 2 recognized American Indian tribes and bands from the appropriation under s. 20.485  
 3 (2) (vz) if that governing body enters into an agreement with the department  
 4 regarding the creation, goals, and objectives of a tribal veterans service officer,  
 5 appoints a veteran to act as a tribal veterans service officer, and gives that veteran  
 6 duties similar to the duties described in <sup>5045080 (5)</sup> ~~sub. (5)~~, except that the veteran shall report  
 7 to the governing body of the tribe or band. The department may make annual grants  
 8 of up to \$2,500 under this ~~paragraph~~ <sup>subsection</sup> and shall promulgate rules to implement this  
 9 ~~paragraph~~ <sup>subsection</sup>.

10 <sup>(9)</sup> ~~(9)~~ TRANSPORTATION SERVICES GRANTS TO COUNTIES. <sup>(B)</sup> ~~(2)~~ Annually, from the  
 11 appropriation under s. 20.485 (2) (s), the department shall award grants to counties  
 12 that are not served by transportation services provided by the Wisconsin department  
 13 of Disabled American Veterans to develop, maintain, and expand transportation  
 14 services for veterans. The grants may be used to support multicounty cooperative  
 15 transportation services.

16 <sup>(2)</sup> ~~(2)~~ The department shall promulgate rules specifying the application  
 17 procedures and eligibility criteria for grants under this ~~sub~~ <sup>e</sup> subsection.

18 <sup>(3)</sup> ~~(3)~~ A county may not reduce funding to a county veterans service office based  
 19 upon receipt of a grant.

\*\*\*NOTE: Under current law, this language provides that a county may not allocate any portion of a grant awarded for transportation services "for use by another county department" and "may not reduce funding to a county veterans service office based upon receipt of a grant." The drafting committee believes that the first phrase is incorrect because in many counties other county agencies provide the transportation services for veterans.

20 <sup>(8)</sup> ~~(8)~~ (10) QUALIFICATIONS APPLICABILITY. The qualifications necessary to be a county

4 **45.81 County veterans service commission.** (1) There is created in each  
 5 county a county veterans service commission consisting of at least 3 residents of the  
 6 county who are veterans appointed for staggered 3-year terms by the county  
 7 executive or county board chairperson in a county that does not have a county  
 8 executive.

\*\*\*NOTE: Some counties have requested the ability to expand the size of the  
 commissions and some currently have larger commissions.

9 (2) The commission shall be organized by the election of one of their number  
 10 as chairperson. The county executive or county board chairperson in a county that  
 11 does not have a county executive after the expiration of the terms of those first  
 12 appointed shall annually on or before the 2nd Monday in December appoint one  
 13 person as a member of the commission for the term of 3 years. The county executive  
 14 or county board chairperson shall require each member of the commission and the  
 15 county veterans service officer to execute to the county an individual surety bond,  
 16 with sufficient sureties to be approved by the county executive or county board  
 17 chairperson, each bond to be in an amount equal to the tax levied in the current year  
 18 for expenditure by the commission. Each bond shall be filed with the county clerk.

19 (3) (a) Except as provided under sub. (4), the commission may furnish aid to  
 20 any person described in s. 45.16 if the right of that person to aid is established to the  
 21 commission's satisfaction.

1 (b) The secretary of the commission shall maintain a list containing the name,  
2 place of residence, and amount of aid furnished to each person under par. (a), which  
3 shall be signed by the chairperson and secretary of the commission.

4 (c) The total disbursements made by the commission under this subsection may  
5 not exceed the amount collected from the tax levied, except when specifically  
6 authorized by the county board. The commission shall provide the county treasurer  
7 with sufficient information to deliver the specified aid to the person entitled to that  
8 aid.

9 (d) The commission may furnish aid in a different manner than by supplying  
10 money. The commission may request the county treasurer to pay a purveyor of  
11 services or commodities for the purchase of services or commodities, or the  
12 commission may furnish supplies, as it considers appropriate.

13 (e) The commission shall make a detailed report to the county board annually  
14 showing the amount expended under this subsection. The report may not include  
15 any personal identifying information regarding the persons that received aid under  
16 this subsection.

\*\*\*\*NOTE: Under current law, a county veterans service commission is authorized to furnish aid to a needy veteran or specified family members. The commission secretary is required to provide a list of aid recipients and the amount of aid received to the county clerk, who then passes that information on to the county treasurer for disbursement of aid. The commission is required to make a detailed report to the county board showing the amount expended.

There seems to be some reluctance to make that list too widely available, due to privacy concerns of the needy veterans and their families. Therefore, this bill provides that the commission's list of aid recipients and amounts is to go directly to the county treasurer for disbursement of aid and that the report to the county board may not include any personal identifying information regarding aid recipients.

17 (4) A county veterans service officer appointed under s. 45.80 (1) (b) or (4) shall  
18 have the administrative powers and duties prescribed for the county veterans service  
19 commission under sub. (2).
