

**DRAFTER'S NOTE
FROM THE
LEGISLATIVE REFERENCE BUREAU**

LRB-0691/P1dn
PJK:lmk:rs

November 22, 2004

To Ellen Nowak:

Please review this proposed language for the changes to the health benefit purchasing cooperatives. Because the requester has not been determined yet (as far as I know), this draft has been requested and drafted under the LRB's name. When you know which legislator will be the requester, let me know and I will convert this draft to his or her name. Thanks.
