Mental Health Non-statutory language – Effective January 1, 2006

The Board shall conduct an assessment of the historic utilization experience and diagnosis-related needs of the HIRSP population to determine if the mental health benefit in s632.89 allows for the use of evidence-based treatment to meet the mental health needs of the HIRSP population. The Board shall make any necessary adjustments to the minimum required benefit in s632.89 to ensure appropriate access to evidence-based mental health treatment strategies for the HIRSP population. y

Attached is the revised tax language to clarify the tax year and SFY used for calculating the credit. The same language has to be inserted four times, under: s. 71.07(5g), s. 71.28(5g), s.71.47 (5g) and s.76.655.

(b) Filing claims and limitations. Subject to the limitations provided under this subsection, 1. For taxable years beginning after December 31, 2005, a claimant may claim as a credit against taxes imposed under s-s. 71.02_ in an amount that is equal to a percentage of the amount of the assessment paid by the claimant for each taxable year under s. 149.13 that the claimant paid in the calendar year in which the claimant's taxable year begins multiplied by the percentage determined under subdivision (c).

(c) Limitations. 1. The department of revenue, in consultation with the office of the commissioner of insurance, shall determine the percentage under par. (b) for each claimant for each taxable year. The percentage shall be equal to \$5,000,000 divided by the aggregate assessment under s. 149.13 per state fiscal year. The Commissioner of Insurance shall provide to each claimant that participates in the cost of administering the plan the aggregate assessment at the time it notifies that claimant of its individual assessment. The aggregate amount of credit under this section and ss. 71.28 (5g), 71.47 (5g), and 76.655, for all claimants participating in the cost of administering the plan shall not exceed \$5,000,000 each state fiscal year
