

DRAFTER'S NOTE
FROM THE
LEGISLATIVE REFERENCE BUREAU

LRBa0363/1dn
RNK:wlj:jf

March 29, 2005

Please note that the reference in this amendment to a publication with a specific title and a specific publication number means that if that title or publication number ever changes, the statutory provision will no longer be accurate. You may want to consider, instead, using more general language to allow DNR to incorporate by reference any relevant publications to avoid this potential problem.
