

**DRAFTER'S NOTE
FROM THE
LEGISLATIVE REFERENCE BUREAU**

LRBa1807/1dn
PJH:jld:jf

December 12, 2005

John,

Please review this draft carefully to ensure that it is consistent with your intent. Please note that the amendment required a change to the “relating to” clause of the bill, which may raise the argument that the amendment is not germane to SB-331 because it substantially expands the scope of the bill.
