## **Assumptions Used in Arriving at Fiscal Estimate**

The bill changes the word in 66.0305 on revenue sharing agreements from "municipality" to "political subdivision" so that the section as amended would include counties which are now precluded from municipal revenue sharing agreements.

There is no data to speculate on how many counties might choose to enter into such agreements or what the financial terms of such agreements may be.

## **Long-Range Fiscal Implications**

Unknown.
