2 (6r) (f) 6m., 341.14 (6r) (f) 9g., 341.14 (6r) (f) 9m., 341.14 (6r) (f) 12g. and 341.14

3 (6r) (f) 12m. of the statutes; **relating to:** special distinguishing registration

4 plates for groups that are military in nature *and making an appropriation*

Analysis by the Legislative Reference Bureau

Under current law, any group or organization may apply to the Department of Transportation (DOT) for designation as an authorized special group. If the application is approved, members of the authorized special group may obtain special distinguishing registration plates for certain vehicles, including automobiles and motor homes, that are owned or leased by special group members. A fee, in addition to the regular registration fee for the particular kind of vehicle, is assessed for the issuance or reissuance of most special plates.

Before October 2, 1998, authorized special groups whose members may obtain special distinguishing registration plates were specifically enumerated in state law. Current law provides that specific enumeration in state law of authorized special groups is limited to those special groups enumerated before October 2, 1998.

This bill creates exceptions to the general prohibition against specifically enumerating in state law special groups whose members may apply for special group registration plates. The bill establishes the following authorized groups that are military in nature: U.S. Military Academy (West Point), U.S. Naval Academy, U.S. Air Force Academy, U.S. Coast Guard Academy, U.S. Merchant Marine Academy, and the Civil Air Patrol. In addition to the regular vehicle registration fee, special

and \$10,200 of these fees are directed to the transportation fund to help pay for producing and issuing the plates.
group members are required to pay a \$15 fee for issuance or reissuance of the special plates.

For further information see the **state** fiscal estimate, which will be printed as an appendix to this bill.

The people of the state of Wisconsin, represented in senate and assembly, do enact as follows:
