### *Analysis by the Legislative Reference Bureau*

Under current law, school boards may enter into contracts with individuals, groups, businesses, or governmental bodies to establish charter schools, which operate with fewer constraints than traditional public schools. Current law also permits the University of Wisconsin–Milwaukee, the University of Wisconsin–Parkside, the Milwaukee Area Technical College, and the city of Milwaukee to operate charter schools (independent charter schools) directly or to contract for the operation of charter schools.

For the University of Wisconsin–Parkside charter school, current law limits the enrollment to 400 pupils. This bill increases the limit to 480 pupils beginning in the 2006–07 school year.

For further information see the *state and local* fiscal estimate, which will be printed as an appendix to this bill.
