

DRAFTER'S NOTE
FROM THE
LEGISLATIVE REFERENCE BUREAU

LRB-2573/1dn
ARG:lmk:rs

April 18, 2005

ATTN: Kimber

In the attached bill, I have included the treatment of s. 194.32 because, under s. 194.01 (1), it appears that a school bus is generally considered to be a "common motor carrier." (The exception for school buses under s. 194.01 (1) is limited to those transporting persons who are not pupils.) You may wish to verify with DOT whether school buses transporting pupils are considered to be common motor carriers and therefore subject to the provisions of s. 194.32 or, if you would prefer, I would be happy to contact DOT to inquire about this issue.
