

**DRAFTER'S NOTE  
FROM THE  
LEGISLATIVE REFERENCE BUREAU**

LRBa0933/1dn  
MES:wlj:pg

September 1, 2005

Representative Pettis:

I spoke to Trisha Pugal today, and she tentatively agreed to the language that appears in this amendment. She still wants to check with some people to see if they agree but, given the fact that the amendment is needed today, she doesn't want to slow the process down. Trisha and I agreed that I'd prepare the amendment so you could review it and we could make changes in another version if that becomes necessary.
