AB 1077 introduced 2/27

Mark,

I just wanted to give a heads-up that we will be requesting an amendment to our bill as soon as it is officially introduced. We would like the amendment to remove the changes in lines 6 and 7 on page 2 of the bill. In other words, we would like the amendment to restore the words "current owner of" and delete "first person who purchased" and "from the developer."

Please feel free to contact me with any questions.

Thank you for all your help,
