**Subject:** from Rep. Wasserman RE: Amendment request

### **Amendment Request for Assembly Bill 585**

Currently, AB 585 requires the Department of Public Instruction to provide information about meningococcal disease to parents of students in grades 6 to 12 indefinitely.

Rep. Wasserman would like an amendment that would add a 6 year sunset clause to that requirement, but the sunset would only apply to grades 7 to 12. After the sixth year, schools would only be required to provide information to the parents of students enrolled in grade 6.

This bill has been scheduled for a public hearing on September 6<sup>th</sup> before the Assembly Committee on Public Health. Rep. Wasserman would like the amendment at least 24 hours in advance of that meeting if at all possible.

If you have any questions, please feel free to contact me.

Thanks,  
Stephanie

### *Analysis by the Legislative Reference Bureau*

This bill directs the Department of Public Instruction to distribute to school districts, private schools, and charter schools information about meningococcal disease, including the causes and symptoms of the disease, how it is spread, and how to obtain additional information about the disease and the availability, effectiveness, and risks of vaccinations against the disease. Annually, each school board and each private school and charter school must provide the information to the parents and guardians of pupils enrolled in grades 6 to 12 in the school district or school.

For further information see the *local* fiscal estimate, which will be printed as an appendix to this bill.
