Regen

- 1 AN ACT to create 20.465 (3) (b) and (s), 166.02 (6u) and 166.03 (2) (b) 9. of the
- 2 statutes; relating to: payments to local governmental units for natural
- 3 disasters, granting rule-making authority, and making appropriations.

**Analysis by the Legislative Reference Bureau**

Currently, the Division of Emergency Management in the Department of Military Affairs (DMA) provides grants to counties for emergency management programs, including programs related to hazardous substance releases and planning and responding to natural disasters. Funding for these programs comes from federal, state, and county funds and from fees paid by private businesses. The adjutant general of DMA provides the state share of grants to individuals and contributions to local governments for major disaster recovery assistance in the event of a presidential disaster declaration.

This bill allows the adjutant general, based on rules promulgated by DMA, to make payments to local units of government for the damages and costs they incurred as the result of a major catastrophe if the governor requests a presidential disaster declaration and that declaration is denied. Under the bill the local unit of government is required to contribute 30 percent of the amount of the damages and costs resulting from the disaster.
