Could Rep. Nerison get another version of the simple amendment to the the sub of AB 1028 that you prepared last week? It basically adds "statewide" and changes the word "capital" to "capita".

Thanks much. You can give me a call with questions or Pam Shannon at Leg. Council.

We did get the bill scheduled for the Assembly tomorrow.

Scott:
I would word it:

Page 3, line 7: after "denied" insert "or because the disaster does not meet the statewide or countywide per capital impact indicator under the public assistance program that is issued by the federal emergency management agency".

Thanks for allowing me the opportunity to comment and your professional courtesy.

How does this work for getting at the concerns we talked about yesterday?
