

**DRAFTER'S NOTE
FROM THE
LEGISLATIVE REFERENCE BUREAU**

LRB-2713/1dn

May 12, 2005

Rep. Van Roy:

The depredation order in 50 CFR 21.48 applies to the adverse impact of DCCO's to fish, including hatchery stock, wildlife, plants, and the habitat, so that is how I redrafted the definition of "wildlife damage" in the bill.
