Description Operation of patrol boats during an emergency or when in pursuit of a suspect					

Assumptions Used in Arriving at Fiscal Estimate

Bill Summary:

This bill expands the definition of patrol boats. This bill also allows for the exemption from most boating laws and ordinances for a patrol boat responding to an emergency or in pursuit, when a siren or emergency light is activated, providing the operator gives due regard for public safety. The bill also provides that an emergency light on a patrol boat must be of a type and design specified by federal law.

Fiscal Estimate:

The DNR law enforcement wardens are currently authorized with the exemptions in this bill. Therefore, there will be no fiscal impact to the Department, as this bill only allows increased authority for emergency responders such as fire fighters and EMTs.
