Analysis by the Legislative Reference Bureau

Under current law, the Department of Transportation may authorize the erection and maintenance of specific information signs on designated highways under its jurisdiction. The signs indicate that certain businesses located near a highway are available to provide gas, food, lodging, or camping to motorists. Currently, specific information signs are authorized on USH 151 from STH 11 south of Dickeyville to USH 41 at Fond du Lac.

This bill extends this authorization on USH 151 beyond USH 41 to CTH “WH” northeast of Fond du Lac in Fond du Lac County.

For further information see the *state* fiscal estimate, which will be printed as an appendix to this bill.
