

DRAFTER'S NOTE
FROM THE
LEGISLATIVE REFERENCE BUREAU

LRB-2705/3dn
PJK:wlj:rs

May 18, 2005

This version of the draft gets rid of the “suspension without pay” concept entirely, allows the other parent to attempt to obtain a card before contempt applies, and treats parents who work for the state in the same way as parents who do not work for the state.
