There is a minor technical interaction between your proposal and assembly amendment 3, the amendment offered by the Joint Committee on Finance. I have drafted this amendment as an amendment to assembly amendment 3, in order to harmonize your proposal with assembly amendment 3. Alternatively, I could draft the elimination of the DNR authority to change the fees by rule as an amendment to the bill. That amendment to the bill would only work if it were adopted after assembly amendment 3 is adopted.

Please contact me with any questions.
