LRB Number <b>05-1735/4</b>	Introduction Number <b>SB-478</b>	Estimate Type <b>Original</b>
<b>Description</b> Approval of state building projects and contracts and use of bidding procedures on such contracts and the allocation of village assets and liabilities upon dissolution		

**Assumptions Used in Arriving at Fiscal Estimate**

The proposed bill would have no fiscal effect on the Department as it would only change the limits on when the Building Commission authorization would be needed.

There is insufficient information to be able to determine if there would be a fiscal effect on the changes in how assets and liabilities would be allocated upon dissolution of a village.

**Long-Range Fiscal Implications**

Unknown.
