9 effective date of this paragraph .... [revisor inserts date], the department may offer  
10 for sale or transfer ownership of the property that the department determines is no  
11 longer necessary for the state's use for transportation purposes, if the property is not

20 contract for the project.

21 (c) 1. Prior to conducting a public sale on a generally marketable surplus land  
22 parcel under par. (b), the department shall contact the county, municipality, and the

24 resources to solicit interest in acquiring the parcel for public use. Upon notification  
25 from the department, the county, municipality, local school district, and department

2 land for public use, within 60 days. Failure to respond within 60 days constitutes  
3 noninterest in the land parcel.

4 2. Except as provided in subd. 2m. if a county, a municipality, a local school  
5 district, or the department of natural resources expresses interest in acquiring the  
6 land for public use, the department shall offer the county, municipality, local school  
7 district, or department of natural resources the property at its appraised value if all  
8 of the following are true:

9 a. The county, municipality, local school district, or department of natural

16 acquiring the land for public use related to transportation or infrastructure, the  
17 department may offer the county, municipality, or the local school district the  
18 property, for less than the appraised value of the property, if all of the following are  
19 true:

20 a. The county, municipality, or local school district provides a plan to the  
21 department identifying the proposed use of the property for transportation or  
22 infrastructure purposes.

23 b. The county, municipality, or local school district agrees to a permanent  
24 restriction on the use of the land for the purpose identified.

2 of the land parcel to the county, municipality, local school district, or department of  
3 natural resources upon receipt of the appraised value of the land parcel. If the  
4 conditions of subd. 2m. are met, the department shall transfer ownership of the land  
5 parcel to the county, municipality, or local school district upon receipt of the agreed  
6 purchase price of the land parcel. Ownership of the land parcel shall be transferred  
7 contingent upon the public use identified under subd. 2., and shall remain in the  
8 ownership of the public entity preserving the public use.

9           **SECTION 5.** 84.09 (5m) of the statutes is amended to read:

10           **84.09 (5m)** Subject to the approval of the governor in the manner, scope, and  
11 form provided by sub. (5) (a), the department may convey lands or interests therein  
12 acquired pursuant to this section and improvements installed thereon to  
13 municipalities within whose limits such lands or interests therein are located. The  
14 conveyance of said lands or interests therein and improvements shall restrict the use  
15 of the premises by the municipality to the uses for which they were acquired, except  
16 that said lands or interests therein declared by the department to be excess may be  
17 so conveyed without restrictions as to use. This subsection shall apply only to the  
18 sale of property acquired by the department for a project that is completed before the  
19 effective date of this subsection .... [revisor inserts date]. The department may sell  
20 property that is acquired by the department for a project that is completed after the

2 County and owned by the state and under the jurisdiction of the department to the  
3 Wisconsin Vietnam Veterans Memorial Project, Inc., for the purpose of the veterans  
4 memorial site located at The Highground in Clark County for the purpose of a  
5 memorial hall specified in s. 70.11 (9). The department may donate property under  
6 this subsection only when the department determines that the property is no longer  
7 necessary for the state's use for transportation purposes and is not the subject of a  
8 petition under s. 560.9810 (2) and is transferred with a restriction that the donee may  
9 not subsequently transfer the real property to any person except to this state, which  
10 shall not be charged for any improvements thereon. Such restriction shall be  
11 recorded in the office of the register of deeds in the county in which the property is  
12 located. The department shall present to the governor a full and complete report of  
13 the property to be donated, the reason for the donation, and the minimum price for  
14 which the property could likely be sold under sub. (5), together with an application  
15 for the governor's approval of the donation. The governor shall thereupon make such  
16 investigation as he or she considers necessary and approve or disapprove the  
17 application. Upon such approval, the department shall by appropriate deed or other  
18 instrument transfer the property to the donee. The approval of the governor is not  
19 required for donation of property having ~~a fair market~~ an appraised value at the time  
20 of donation of not more than \$15,000. Any expense incurred by the department in  
21 connection with the donation shall be paid from the transportation fund.
