Peggy/Aaron:

Mark Patronskey noticed a minor technical error with the sub drafted to AB 534. To address this, I would like to request a technical amendment, so that the report covers the 2-year period. If you have any questions - please let me know.

Sorry about this. Totally my fault - the error was in the language draft I sent over.

Thank you,
Kristina

Hi Kristina---

I am preparing the Leg Council amendment memo on AB 534, and I noticed a possible small glitch. On page 4, line 18, language is added to the current biennial report that DOT makes to the building commission and Jt Finance. However, on line 24, the report only has to cover the previous year. Shouldn't it cover the 2-year period of the report?
