Subject: SB 272 Amendment Request

Peter,

Senator Schultz asked that I request an amendment to SB 272 that would change the applicability of the requirement for libraries to be open an average of 20 hours per week. The Senator would like an amendment that would grandfather libraries that are not currently open 20 hours per week. Those libraries would be locked in at their previous year's average. Please contact me with any questions. As with everything this time of year, Senator Schultz also request that this amendment be a priority. Thank you for your help.
