Subject: DOT bill draft

Aaron:

As you know, DOT has provided me with several bill drafts that they would like introduced. Two of the drafts they provided were LRB 0971/P1 and LRB 0972/P1 - both regarding the Specialized Transportation Assistance Program. Could I have these proposals rolled together into one bill? Do you need someone from the DOT to notify you that we are taking over the draft?

Thanks Aaron. No specific timeframe in mind - just when you have opportunity.

Diane:

Great - thank you. For clarification at the LRB, could you please e-mail Aaron Gary indicating that Representative Ainsworth will be taking over LRB drafts 0971 and 0972? (I just noticed my previous e-mail to you mentioned LRB 0971 and 0971 - sorry. I think I was ready to get home when I wrote it!)

I appreciate your help.

Kristina,

This would be fine with the Department. Thanks for checking with us and thank you to Representative Ainsworth also!

Subject: Non-budget proposals

Diane:

Representative Ainsworth is interested in introducing LRB 0971 and LRB 0971 - relating to the Specialized Transportation Assistance Program. I have talked to the Wisconsin Counties Association - and they, too, are supportive of these changes. In an attempt to help make my job a little bit easier - I was thinking of rolling both of these proposals into one draft.... Would the Department be OK with that? If so, I will talk to the drafting attorney, get things started, and begin work on a co-sponsor memo.

Thanks in advance for your help.

PRELIMINARY DRAFT - NOT READY FOR INTRODUCTION

ReGen

1 AN ACT to amend 85.21 (3) (c) of the statutes; relating to: the Specialized
2 Transportation Assistance Program.

Analysis by the Legislative Reference Bureau

Under current law, the Department of Transportation (DOT) administers the Specialized Transportation Assistance Program (program) under which DOT distributes aids to counties to be used for providing transportation services to elderly and disabled persons. A county may contract with DOT to hold aids received under the program in trust for the exclusive purpose of acquiring or maintaining equipment used for services authorized under the program.

This bill allows a county to contract with DOT to hold aids received under the program in trust for the additional purpose of providing services under the program, not just for the purpose of acquiring or maintaining equipment used for such services.

For further information see the *state and local* fiscal estimate, which will be printed as an appendix to this bill.

 4 and to furnish information determined necessary by the department for periodic
 5 program monitoring and year-end auditing and evaluation. A contract may permit
 6 a county to hold aids received under this section on or after July 2, 1983, in trust,
 7 according to rules promulgated by the department, for the ~~exclusive~~ purpose of
 8 providing services authorized under this section or of acquiring or maintaining

of elderly and disabled persons in the county. If a county fails to contract with DOT
for its entire county proportionate share by February 1 of any fiscal year, DOT may
distribute the remaining amount by supplemental contract with other counties that
have applied for more than its county proportionate share. ✓

This bill provides that, if a county fails to apply for its entire county

other counties.
