2005 ASSEMBLY BILL 1150

March 27, 2006 – Introduced by Representatives TRAVIS and FREESE, cosponsored by Senator ERPENBACH. Referred to Committee on Campaigns and Elections.

1 AN ACT *to amend* 9.10 (1) (b), 9.10 (1) (c) 2. and 9.10 (2) (d) of the statutes;
2 relating to: petition requirements for the recall of a city, village, town, or school
3 district officer.

Analysis by the Legislative Reference Bureau

Currently, a petition for the recall of a city, village, town, or school district officer must be signed by electors equal to at least 25 percent of the vote cast for the office of president of the United States at the last election within the same district or territory as that of the officeholder being recalled. If there are no election statistics available that can be used to determine the exact number of signatures required, the number of signatures is calculated in accordance with a statutory formula. The latest date that a recall petition may be circulated is the 30th day beginning after the date that the petitioner registers with the appropriate filing officer indicating an intent to circulate the petition.

This bill provides that a petition for the recall of a city, village, town, or school district officer must be signed by electors equal to at least 25 percent of the vote cast for the office of governor at the last election within the same district or territory as that of the officeholder being recalled, subject to the current exception. Under the bill, the latest date that a recall petition may be circulated is the 60th day beginning

ASSEMBLY BILL 1150

after the date that the petitioner registers with the appropriate filing officer indicating an intent to circulate a recall petition.
