ASSEMBLY BILL 715

1 disabilities, requiring the exercise of rule-making authority, and providing a
2 penalty.

Analysis by the Legislative Reference Bureau

Under current law, a person with a disability that limits or impairs the ability to walk may apply for and obtain from the Department of Transportation (DOT) special motor vehicle registration plates or a special identification card, or both, entitling a motor vehicle used by the person with a disability to certain parking privileges, including parking in spaces reserved for use by such vehicles. An application for a special identification card must include a statement from a physician, chiropractor, physician assistant, advanced practice nurse, or Christian Science practitioner (health care provider) that the applicant is a person with a disability that limits or impairs the ability to walk. A person with a physical disability that limits or impairs the ability to walk is defined as a person with a disability under federal law or a person who meets any of the following conditions:

1. Cannot walk 200 feet or more without stopping to rest.
2. Cannot walk without the use of, or assistance from, another person or a medical assistive device, such as a cane or wheelchair.
3. Is restricted by lung disease to the extent that the person meets a specified medical standard for lung volume.
4. Uses portable oxygen.
5. Has a cardiac condition that meets a specified medical standard.
6. Is severely limited in the ability to walk due to an arthritic, neurological, or orthopedic condition.
7. Has a degree of disability equal to those specified in items 1. to 6.

This bill eliminates the criteria specified in item 7. for defining a person with a disability that limits or impairs the ability to walk, for purposes of both special identification cards and special disabled registration plates.

Under current law, with limited exceptions, a special identification card entitles any motor vehicle parked by or under the direction of the card holder, or any motor vehicle operated by or on behalf of an organization and used to transport a person eligible for a card, to parking privileges. A person or organization is subject to a forfeiture of not more than \$200 if the person or organization lends to another a special identification card knowing that the person borrowing the card is not authorized by law to use it or if the person or organization displays a special identification card on a vehicle that is not authorized by law to have the card displayed on it. A person or organization is required to forfeit not less than \$200 nor more than \$500 if the person or organization fraudulently procures, alters, reproduces, or uses a special identification card.

This bill increases the forfeiture for these violations to \$1,000 and makes some modification in the scope of the violations, including requiring that the improper display of a special identification card be done knowing that the vehicle is not authorized to display the card. The bill also creates two new violations, subject to

ASSEMBLY BILL 715

the same \$1,000 forfeiture amount, for knowingly providing false or misleading information on an application for a special identification card and for knowingly providing false or misleading information in a health care provider statement submitted in support of an application.

The bill also prohibits DOT from issuing more than one special identification card to an applicant unless the applicant requests a second card, and requires DOT to provide by rule for the issuance of replacement cards for cards that are lost or destroyed.

For further information see the *state and local* fiscal estimate, which will be printed as an appendix to this bill.

The people of the state of Wisconsin, represented in senate and assembly, do enact as follows:
