

**DRAFTER'S NOTE**  
**FROM THE**  
**LEGISLATIVE REFERENCE BUREAU**

LRBs0427/1dn  
MGG:cjs:pg

January 6, 2006

1. Please review the changes to the definition of “conveyance.” See s. 101.981 (1) (a) and (c). In doing so, please review the items listed in Comm 18.1002 (1), Wis. Adm. Code, which lists the equipment covered by ch. Comm 18 and 18.1002 (2), Wis. Adm. Code, which lists the equipment that is exempt from ch. Comm 18.
2. The phrase modifying materials in the definition of “personal hoist” is based on the language found in the first sentence of ANSI A10.4, section 28. However, the language seems quite broad. Please let me know if you want any language limiting the materials to those used in the construction, alteration, or demolition.
3. In light of the language added to s. 101.82 (1), I left in the treatment of s. 101.86 (1) (a) even though it deals with municipal jurisdiction.
4. In making the language in s. 101.985 (1), (2) (a), and (3) mandatory, instead of discretionary, I rewrote the first sentence of each provision. Please review to make sure it achieves your intent.
5. I rewrote s. 101.985 (2) (b) 2. to make it clear as to how the 5–day grace period works. Please review.
6. Please review s. 166.03 (1) (b) 1. in current law, which is incorporated by reference into s. 101.985 (2) (b) 2. of the draft, to see if your intent is achieved.
7. In s. 101.985 (5), I deleted the reference to the rules of the department because that language seems redundant and unnecessary. If you disagree, please call me to discuss this.
8. To be consistent with the change in s. 101.985 (7) (a) 4. concerning residential addresses, I took out the parallel language that was in s. 101.985 (7) (a) 5.
9. I had to add the last clause in SECTION 9 (1) because of the enactment of 2003 Wisconsin Act 118. If you want to notwithstanding this requirement, please let me know.
