

**DRAFTER'S NOTE**  
**FROM THE**

David Lovell:

In addition to the change we talked about regarding the definition of "tribal official" (see rewording in the text and prefatory note), I qualified the statement in the first paragraph of the note which states that the law requires lobbyists to obtain a state license to lobby to insert the word "generally" before the word "requires" because there are exemptions. Please let me know if you have any concerns.
