

**DRAFTER'S NOTE
FROM THE
LEGISLATIVE REFERENCE BUREAU**

LRB-0685/1dn
DAK:lmk&jld:jf

November 29, 2004

To Representative Schneider:

I have added a forfeiture provision that is the equivalent of a Class A forfeiture in the Criminal Code. Does that meet your intent?

This bill also would punish the requirer for each day after the requirement is made and before it is withdrawn. Is that your intent?
