Assumptions Used in Arriving at Fiscal Estimate

The legal drinking age in Wisconsin is currently 21 years of age. This bill creates an exception that lowers the legal drinking age to 19 years of age for members of the U.S. armed forces who are stationed in this state on active duty. Under the bill, the state would have to obtain a federal waiver or participate in a federal pilot program to assure that federal highway aid will not be withheld due to the bill.

Under the bill, if Wisconsin obtains a federal waiver or participates in a federal pilot program, the Department of Revenue (Department) would have to publish in each county information describing the waiver or pilot program. Also, the Department would have to publish a similar notice in the Wisconsin Administrative Register.

The Department estimates one-time publication costs of \$14,400 ($\$100 \times 2 \times 72$).
