

Fiscal Estimate Narratives

DOA 5/9/2005

LRB Number 05-2076/1	Introduction Number AB-325	Estimate Type Original
Subject The applicability of city and village comprehensive plans in unincorporated territory		

Assumptions Used in Arriving at Fiscal Estimate

It is not known what differences may exist between plans in extraterritorial jurisdictions or what the effect will be of clearly indicating which plans have precedence. It may reduce confusion, lawsuits, and delays speeding development in these areas. Such development could result in both local revenues and costs for services.

Long-Range Fiscal Implications

Unknown.
