**Fiscal Estimate Narratives**

**PSC 5/16/2005**

LRB Number <b>05-2145/3</b>	Introduction Number <b>AB-412</b>	Estimate Type <b>Original</b>
<b>Subject</b> Public utility condemnation of county land; environmental impact fees for transmission lines		

**Assumptions Used in Arriving at Fiscal Estimate**

This proposed legislation would, under certain circumstances, provide companies constructing electric transmission lines the ability to condemn county or municipal land. Under certain conditions the bill would also change the amounts of environmental impact fees paid to cities, villages, towns and counties.

This bill would not increase the costs of the PSC.

**Long-Range Fiscal Implications**

None for PSC
