**Assumptions Used in Arriving at Fiscal Estimate**

There are no data by which to determine the number of cases that would be referred by law enforcement to District Attorneys' offices were this bill to be enacted. However, given the widespread and rapidly growing availability of devices that could be a means for this new crime, the potential exists for there being a significant number of additional cases arising.

**Long-Range Fiscal Implications**

If this bill is enacted its impact must be carefully monitored to determine if additional prosecutorial resources are needed.
