

**Fiscal Estimate Narratives**  
**ERC 12/15/2005**

LRB Number <b>05-4114/2</b>	Introduction Number <b>AB-857</b>	Estimate Type <b>Original</b>
<b>Description</b> Final offer limits under the Municipal Employment Relations Act		

**Assumptions Used in Arriving at Fiscal Estimate**

AB 857 would require that the WERC determine whether final offers exceed the limits established by this legislation. This requirement will increase the WERC's workload. WERC hopes to be able to meet this additional requirement with existing resources.

To the extent final offers currently exceed the limits established by AB 857 and are selected by an interest arbitrator, this legislation will reduce local government costs.
