Fiscal Estimate Narratives

DMA 12/21/2005

LRB Number 05-3213/2	Introduction Number AB-886	Estimate Type Original
Description The use of stewardship funds for the acquisition of land or development rights in land around certain military bases or installations		

Assumptions Used in Arriving at Fiscal Estimate

Under this bill the cost to the state is indeterminable at this point because of unknown variables such as amount of land to be purchased and the market rate for the land. It does not appear to increase state spending but could redirect some of the funds in the stewardship program to purchase lands next to state military facilities.

Long-Range Fiscal Implications
