LRB Number 05-1605/3	Introduction Number SB	-110 Estimate Type	Original	
Subject				
Renewable energy portfolio deadlines for electric providers				

Assumptions Used in Arriving at Fiscal Estimate

This bill proposes to create an additional target that by 2016 15% of electric sales by electric utilities and cooperatives shall be derived from Renewable sources. The Commisson does not believe there are any local government costs associated with implementing this new standard.

Long-Range Fiscal Implications

None
