LRB Number 05-3386/2	Introduction Number SB-377	Estimate Type Original
Description Authorizing the University of Wisconsin System to establish or contract for the establishment of a charter school.		

Assumptions Used in Arriving at Fiscal Estimate

This bill would extend the authority to operate a charter school located in Dane County to the president of the University of Wisconsin System with the approval of the Board of Regents.

Currently, Milwaukee Area Technical College is the only Wisconsin technical college authorized to operate a charter school.

The provisions of this bill would not increase the number of technical colleges authorized to operate a charter school.

Long-Range Fiscal Implications

There would be no state or local fiscal impact on the Wisconsin Technical College System as a result of the provisions included in this proposal.
