College Savings Program Board

November 8, 2005

The Honorable, The Senate:

We are pleased to submit the College Savings Program Annual Report for the 2004-2005 Fiscal Year ending June 30, 2005. This eighth annual report covers the EdVest and tomorrow's scholar plans, including key developments in the program over the past fiscal year and summaries of the financial audit and actuarial valuation. The program experienced significant growth and success in FY05. As of June 30, we were meeting the college savings needs of nearly 200,000 families nationwide with over \$1.4 billion in assets under management.

Highlights for the year:

- Wells Fargo purchased Strong Financial Corp. and assumed the contracts for management of the program in a seamless transaction.
- The Board hired Evaluation Associates, Inc. to provide ongoing independent monitoring of investment performance of all program portfolios.
- All investment options were improved and fees were lowered as part of a September 2005 "re-launch" of the program.

The College Savings Program Board and staff look forward to continued growth with quality service to participants in this exciting program. If you have any questions regarding the Annual Report, please contact Marty Olle at 264-7886.
