2005 Senate Bill 80

Senate Amendment 1

Memo published: March 3, 2006

Contact: Mary Offerdahl, Staff Attorney (266-2230)

Among other things, **Senate Bill 80** requires the Legislative Audit Bureau to maintain a toll-free telephone number with voice mail at its office—publicized on its Web site—to receive reports of fraud, waste, or mismanagement in state government. Under the bill, the Legislative Audit Bureau must relay such reports to the appropriate bureau employee for investigation. **Senate Amendment 1** has the effect of changing “must” in the previous sentence to “may.”

Legislative History

On February 22, 2006, the Senate Committee on Veterans, Homeland Security, Military Affairs, Small Business and Government Reform introduced Senate Amendment 1, recommended adoption of Senate Amendment 1, and recommended passage of Senate Bill 80 as amended, with all three actions taken on votes of Ayes, 5; Noes, 0.
