

2005 SENATE BILL 384

October 13, 2005 - Introduced by Senators OLSEN, HARSDORF and ERPENBACH, cosponsored by Representatives ALBERS, KRAWCZYK and HINES. Referred to Committee on Education.

1 **AN ACT to amend** 121.90 (1) (intro.) of the statutes; **relating to:** counting pupils
2 who attend the Youth Challenge Academy for school district revenue limit
3 purposes.

Analysis by the Legislative Reference Bureau

Under current law, pupils attending the Youth Challenge Academy, a residential program administered by the Department of Military Affairs, are considered enrolled in their school district of residence for state school aid and revenue limit purposes. Unlike other pupils, however, they are not counted for revenue limit purposes until the school year following their attendance at the academy.

This bill provides that the pupils attending the Youth Challenge Academy in the spring semester and in the fall semester are counted for revenue limit purposes in the school year beginning that fall.

For further information see the *state and local* fiscal estimate, which will be printed as an appendix to this bill.
