RE: Assembly Amendment \_\_ (LRBa0112/2) to Assembly Bill 63, Relating to Voter Identification

DATE: February 8, 2005

This memorandum briefly describes Assembly Amendment \_\_ (LRBa0112/2) to 2005 Assembly Bill 63. As you know, Assembly Bill 63 generally requires voters and persons registering to vote at the polls to present a photo identification card (i.e., a Wisconsin driver's license, a Wisconsin identification card issued by the Department of Transportation (DOT), or an identification card issued by a U.S. uniformed service) before being allowed to vote and before being allowed to register to vote at the polls. The bill also deletes the ability of persons to corroborate their eligibility to vote via another elector in the municipality. The bill is more fully described in a memo to you dated February 2, 2005.

Assembly Amendment \_\_ (LRBa0112/2) makes a number of modifications to the bill to correct incorrect cross-references, to incorporate consistent terminology, and to otherwise aid in the effectuation of the bill's intent by making other nonsubstantive changes. Those changes are described below. The changes are identified by the item number in the amendment.

**Items 1, 2, and 21:** Deletes the current law penalty for falsely corroborating another elector's information because the bill deletes the authorization to corroborate.

**Item 4:** Deletes additional references to the corroboration process in current law that were inadvertently missed in the drafting of the bill.

**Items 5 through 10:** Changes the word "elector" to "person" for purposes of consistency with similar uses in the bill.

**Item 11:** Clarifies, in accordance with the intent of the bill, that poll workers must verify the name and address *stated* by the elector when appearing to vote as under current law, rather than the address provided on an identification card.

**Item 12:** Changes the title of a provision of the bill to provide consistency with the intent of the provision and to avoid inconsistency with defined terms under current law.

**Items 13 and 19:** Makes minor changes so that the bill consistently refers to "U.S. uniformed service."

**Item 14:** Clarifies, that the *agent* of a hospitalized absent elector presents the identification document required for the elector to vote.

**Item 15:** Corrects an internal statutory reference.

**Items 16 and 17:** Deletes unnecessary internal statutory references.

**Item 18:** Corrects an internal statutory reference.

**Item 20:** Adds the word "valid" to "current identification card" to be consistent with other uses in the bill.

**Items 22 and 23:** Deletes an unnecessary reference to a statutory section that is not treated by the bill.

If you have any questions, please feel free to contact me directly at the Legislative Council staff offices.
