### **Testimony Before the Assembly Forestry Committee January 10, 2006**

#### **In Regards to AB 810**

Good afternoon Chairman Friske and committee members. I am Bob Mather, director of the Bureau of Forest Management, Division of Forestry, in the Department of Natural Resources. I want to thank you for this opportunity to come before you in regard to AB 810. The Department of Natural Resources strongly supports this bill.

The USDA Forest Service is an important partner in the forestry community in Wisconsin and should be represented on the Council. The Forest Service interacts in a number of ways with others in forestry in Wisconsin including the management of the National Forest, providing forestry research, and assistance through federal state and private forestry programs.

I urge the committee to support this bill because in our view it helps further strengthen the forestry community in Wisconsin. Once again, I want to thank you for this opportunity to speak before the committee.
