LEGISLATIVE AUDIT BUREAU

The Bureau is a nonpartisan legislative service agency responsible for conducting financial and program evaluation audits of state agencies. The Bureau's purpose is to provide assurance to the Legislature that financial transactions and management decisions are made effectively, efficiently, and in compliance with state law and that state agencies carry out the policies of the Legislature and the Governor. Audit Bureau reports typically contain reviews of financial transactions, analyses of agency performance or public policy issues, conclusions regarding the causes of problems found, and recommendations for improvement.

Reports are submitted to the Joint Legislative Audit Committee and made available to other committees of the Legislature and to the public. The Audit Committee may arrange public hearings on the issues identified in a report and may introduce legislation in response to the audit recommendations. However, the findings, conclusions, and recommendations in the report are those of the Legislative Audit Bureau. For more information, write the Bureau at 22 E. Mifflin Street, Suite 500, Madison, WI 53703, call (608) 266-2818, or send e-mail to leg.audit.info@legis.state.wi.us. Electronic copies of current reports are available on line at www.legis.state.wi.us/lab.

Governor James E. Doyle and
Members of the Legislature
State Capitol
Madison, Wisconsin 53702

Dear Governor Doyle and Members of the Legislature:

This biennial report, which is required under s. 13.94(1)(j), Wis. Stats., summarizes the Legislative Audit Bureau's statutory responsibilities and highlights significant accomplishments from January 1, 2003 through December 31, 2004.

In the 2003-04 biennium, we produced more than 60 independent audits, evaluations, reviews, opinions, and certifications. These documents help to assure the Legislature and the public that financial transactions and management decisions have been made effectively, efficiently, and in compliance with the law and that the policies and practices of state agencies are consistent with legislative intent. Our work frequently includes recommendations for improving government programs and services, maximizing federal reimbursements, and ensuring that public funds are wisely spent and appropriately accounted for.

We are proud to deliver accurate and useful information that enhances accountability, effects positive change, and assists the Legislature in its oversight of executive branch agencies. We look forward to serving the Legislature, the Governor, and the people of Wisconsin in the coming years.

Respectfully submitted,

Janice Mueller
State Auditor
