The right to vote is one of the fundamental principles of a democracy. When the integrity of this process itself is being compromised, that is a very serious issue.

Providing photo ID is a totally reasonable, and common sense approach to this problem; and is something we do in everyday situations - such as when we provide a drivers license when writing a check.

What occurred in Racine + Milwaukee during the 2004 election (with thousands of illegal or questionable ballots being cast) shows that the people who wish to vote illegally - are finding ways around the law.

This piece of legislation will help prevent those individuals who are illegally voting, from disenfranchising the votes of people who legally did.

Again, this is a reasonable + common-sense approach to this problem + will reinstate integrity back into the voting process for everyone.

Patrick Dailey

ROBIN J. VOS

STATE REPRESENTATIVE • RACINE COUNTY

**SENATE COMMITTEE ON LABOR AND ELECTION REFORM
REQUIRING PHOTO IDENTIFICATION TO VOTE
SENATE BILL 42 AND ASSEMBLY BILL 63
TESTIMONY BY STATE REPRESENTATIVE ROBIN VOS
63 ASSEMBLY DISTRICT – RACINE COUNTY
MARCH 21, 2005**

Dear Chairman Reynolds and members of the Senate Committee:

I'm State Representative Robin Vos from the 63rd Assembly District, which includes large portions of Racine County. I am proud to be here tonight as a co-sponsor and very strong supporter of this legislation.

Thank you for holding a hearing on Senate Bill 42 and Assembly Bill 63 which require photo identification to vote. I'm very pleased that you decided to come to Racine County to hear the concerns of area citizens about our state's voting process.

As Americans I think we can all agree that voting is one of the most valuable privileges we possess. It's something that should be held in the highest regard and not taken for granted. Unfortunately, it seems this isn't happening. In recent years the stories of election fraud have made major headlines. It seems as if those who want to manipulate the system in their favor have found almost every imaginable way to do so. This deceitful activity is simply wrong and unfair to honest voters. For every fraudulent vote cast in our state, there is another legitimate voter somewhere in Wisconsin who's been disenfranchised. The legislation before you tonight is one step in restoring confidence, faith and integrity to Wisconsin's election system.

Tonight I'd like to share with you some specific examples of election fraud in Racine County that make a strong argument for requiring photo identification to vote.

Fraudulent Registration:

During the 2004 election cycle, like in many areas of Wisconsin, individuals were brought in from outside our community to register voters. They were supposed to go door to door to register people, but some in Racine took the easy route and decided to let their fingers do the walking.... they used the Racine telephone book to find names and fraudulently put them on voter registration cards. To their credit, the Racine City Clerk's office got suspicious when new registration cards came in with last names all beginning with the same first letters - PH. This

VOS TESTIMONY – PAGE 2

fraudulent activity was reported and the Racine County District Attorney and the cases are still pending. Fortunately, this activity was discovered due to the stupidity of those involved. If the corrupt individuals had just used every fiftieth name out of the phone book, the activity may have gone undetected. With a photo identification requirement to vote, the scam would have been discovered regardless of how it was constructed. Unfortunately this plot may have even been part of a larger effort to get individuals to fraudulently cast ballots on election day - but we will never be certain of the real motivation behind these criminals.

Voting by Felons:

In the audience tonight are two individuals – Lou D’Abraccio and Ron LaCanne who took countless hours to check the voter lists in the City of Racine and compare them to lists of felons supplied by the Wisconsin Department of Corrections. As you have read in the Milwaukee Journal Sentinel lately, it is very difficult to compare these lists because the legislature recently made birthdates not part of the public record on these voter lists, thus making it difficult to compare the two and match any potential violations. Our preliminary indications show that as many as 41 felons might have voted in the 2004 election in the City of Racine alone. Some might argue about the allowing felons to vote, but regardless of that issue...it’s against the law and another indication that our election process is in need of reform.

Voter Verification:

Many of you might remember that earlier this year, the *Milwaukee Journal Sentinel* reported that the city of Racine was not sending out voter verification cards to confirm information on same-day registrants. Wisconsin State Statute 6.56(2) requires that municipal clerks send out postcards and letters to confirm that voters who registered the same day were properly registered on the day of an election. I was very alarmed by this fact and sent a letter to Mayor Becker urging the city to follow the law and ensure that proper voting was taking place. Due to my urging, the city did send out postcards that produced 106 questionable names. While this fails in comparison to the thousands of names in the Milwaukee area that couldn’t be processed, any number of questionable names still qualifies as a huge red flag for potential fraudulent activity. If the photo identification provision was in place these questionable voters would have been caught before casting their votes and disenfranchising other voters.

Address Verification:

Once the addresses had been confirmed for new registrants by the city of Racine, I worked with a local mailing firm to verify that the people who voted on Election Day were actually residents of the home they indicated when they voted.

VOS TESTIMONY – PAGE 3

We have only had time to review the City of Racine at this point, but our preliminary results have found that over 421 people voted from addresses in the City of Racine even though they had previously filed a change of address form with the US Postal Service. Why in the world would someone and vote from an old address, when they had recently filed a change of address form with the US Post Office?

In some cases, these individuals had moved over a year prior to the election. Yet, on Election Day they voted at their old address. It seems strange that someone who was a resident in Racine for twenty years and then moved to Mount Pleasant would still vote at their old address. It makes me wonder if voters using these addresses were not the people they claimed to be. Without a requirement to show any form of picture id...how do we know that the person who voted at the former address was actually the person who moved to the new address? Could there have been fraudulent votes cast? Unfortunately because of the lack of a photo id requirement we will never be sure.

Again, if the photo identification provision was in place many of these questionable voters would have been caught before casting their votes and disenfranchising other voters.

As you can see there are many examples just in the Racine area that question the integrity and fairness of our election process. While requiring a photo ID to vote would not prevent all fraud or problems we face with elections, it will help eliminate errors being made and at the very least make casting a fraudulent vote more difficult.

I urge you to support Senate Bill 42 and Assembly Bill 63. I would be happy to answer any questions.

FEES AND REGULATIONS

FOR THE USE OF

Racine Unified School District
FACILITIES

School Year 2004-2005

School Year 2004-2005

GENERAL REGULATIONS ALL AREAS

1. School facilities are available only to established organizations and are not available to individuals for commercial gain or for political/partisan events. Contracts must be signed for the use of school facilities when fees and service charges are involved.
2. Requests for the use of school facilities must be submitted at least 30 days in advance of the date of desired use.
3. Profits resulting from the event are to remain with the using organization and are not to accrue to any individuals.
4. Fees: (See table below to determine applicable fees.) The rental per hour applies from the time the user group enters the building until the user group leaves. Additional charges are made for custodial, auditorium and kitchen personnel when used. Payment of fees is to be made immediately upon receipt of statement.
5. Liability: User shall assume full liability for any personal injury or property damage arising in connection with the event. A Certificate of Insurance covering the event may be required at contract signing.
6. User agrees to indemnify the school district for any damage to the building or equipment resulting from the event. Repair or replacement shall be made to the satisfaction of the school district.
7. Cancellation/Denial of Permits: Vandalism or violation of contract provisions shall be grounds for cancellation of the permit and denial of future permit requests. Permits may be denied if the event is contrary to School Board Policy, conflicts with School District schedules, or has the potential of inciting disorders that could be a danger to personnel or property, as determined by the Director of Buildings and Grounds.
8. Transfer of permits is not permitted. Illegal games of chance are not permitted.
9. Facilities are to be used only for the purpose and areas specified by the contract/permit.
10. Possession of use of intoxicants or controlled substances is prohibited.
11. Smoking is prohibited in all school buildings and on school property.
12. User must arrange for unloading and reloading of own equipment. School personnel or students are not available for such work.
13. No dances may be held other than by school organizations except as specifically authorized by the Superintendent of Schools.
14. School personnel shall supervise events and perform stage operations when considered necessary by the school administrator.
15. Long-term contracts must be renewed annually.

Priority Use	Policy Classification	Examples	Rentals	Over-time Custodial

General Conditions and Policies

1. The Board of Education reserves the right to deny or cancel use of a school facility at any time.
2. Once a permit has been issued, it becomes an agreement between the applicant/organization and Racine Unified School District. Authority for use may not be transferred or sublet to any other individual, group or organization by the applicant.
3. Use of facilities is governed by all other District policies and regulations (Pepsi Beverages Only).
4. Violation of any portion of this policy or its conditions may result in the immediate suspension of facility use privileges. Permanent suspension of future use privileges may be enacted by the Board of Education.
5. No alcohol, illegal substances or smoking are permitted on school property at any time.
6. Organizations/individuals receiving permission to use school facilities are responsible for the conduct of both participants and spectators. Organizations must confine their participants to the designated area(s) and return the area(s) to the same condition as prior to use. Adequate provisions must be made by user to handle anticipated crowds.
7. The applicant and/or organization agrees to assume all responsibility for damage or liability of any kind and further agrees to hold harmless the District from any expense or costs in connection with the use of the facilities and/or equipment under this agreement. The Board of Education requires an applicant or organization to furnish a certificate of insurance to guarantee the conditions of this agreement or any liability incurred by it (Racine Unified School District will be named as additional insured).
8. The applicant or organization may only use school equipment specifically authorized in the approved Facility Permit.
9. All Facility Permits are automatically cancelled when schools are closed due to inclement weather.
10. Snow removal is not guaranteed on non-school days. Users who require snow removal must make advanced arrangements with the office of Buildings and Grounds, 631-7102.
11. Racine Unified School District is not responsible for loss of personal items.
