Hi Joe,

I won't be drafting in Transportation this session (except for drunken driving), so I will forward this request to Brett Balinsky and Aaron Gary, who are the Transportation drafters. If you need anything related to drunken driving, crimes, or criminal procedures, however, just let me know!

Analysis by the Legislative Reference Bureau

Under current law, a person who applies for a new driver's license, must, under most circumstances, demonstrate his or her knowledge of the rules of the road and his or her driving skills in a test administered by the Department of Transportation (DOT). Most drivers' licenses issued by DOT must be renewed every eight years. To renew a license to drive an automobile or a motorcycle, an applicant must pass a test of his or her eyesight. Current law allows the secretary of DOT to require any person to submit to additional testing to determine incompetency, incapacity, disease, or impairment that may prevent the person from exercising reasonable and ordinary control over a motor vehicle. Under current law, most drivers pay \$15 to take up to three driving skills tests.

*
*

Under this bill, a person who is at least 75 years of age but less than 85 years of age must pass a test of his or her eyesight every three years. A person who is over the age of 85 must pass a test of his or her eyesight and demonstrate his or her knowledge of traffic laws every two years. The bill requires DOT to submit to the legislature a report on the effects of the proposed legislation on highway safety and

a report on effects of aging and driving ability and transportation alternatives for older drivers.

* Additionally, under the bill, most drivers are charged \$13 for each driving skills test that he or she takes.

NO The bill also authorizes the creation of 2.5 positions in DOT to conduct the required studies relating to older drivers and to administer driver licensing services.

For further information see the state fiscal estimate, which will be printed as an appendix to this bill.

The people of the state of Wisconsin, represented in senate and assembly, do enact as follows:

1 SECTION 1. 343.16 (3) (a) of the statutes is amended to read:

2 343.16 (3) (a) The Except as provided in par. (am), the department shall

4 and shall examine every person who holds an operator's license and who is at least
5 75 years of age but less than 85 years of age once every 3 years. The department may
6 institute a method of selecting the date of renewal so that such examination shall be
7 required for each applicant for renewal of a license to gain a uniform rate of
