Analysis by the Legislative Reference Bureau

Under current law, the pension benefits of certain public employees are exempt from state taxation. The pensions that are exempt include payments received from the U.S. civil service retirement system, the U.S. military employee retirement system, the Milwaukee city and county retirement systems, the Police Officer's Annuity and Benefit Fund of Milwaukee, the Milwaukee Public School Teachers' Retirement Fund, the Wisconsin State Teachers' Retirement Fund, and the Sheriff's Annuity and Benefit Fund of Milwaukee County. For most of these pension plans, the exemption applies only to persons who were members of or retired from the plans as of December 31, 1963, although this limitation does not apply to retirement payments received from the U.S. military employee retirement system or from payments received from the U.S. government that relate to service with the U.S. Coast Guard, the commissioned corps of the National Oceanic and Atmospheric Administration, or the commissioned corps of the U.S. Public Health Service.

This bill exempts from taxation certain amounts of payments or distributions received each year by an individual from a qualified retirement plan under the Internal Revenue Code, if such payments are not already exempt from taxation. The bill first applies to taxable year 2007, and the maximum allowable exemption is \$2,500. The exemption amount increases each year from \$2,500 to \$5,000 in 2008, \$10,000 in 2009, \$15,000 in 2010, and \$20,000 in 2011 and thereafter.

ASSEMBLY BILL 18

Because this bill relates to an exemption from state or local taxes, it may be referred to the Joint Survey Committee on Tax Exemptions for a report to be printed as an appendix to the bill.
