

**DRAFTER'S NOTE
FROM THE
LEGISLATIVE REFERENCE BUREAU**

LRB-0390/1dn
MES:wlj:jf

October 12, 2006

Rep. Owens:

I added the delayed effective date for s. 60.23 (33) to address a concern raised by the Department of Revenue with regard to last session's bill. If this bill does not become law by October 1, 2007, the delayed effective date will need to be advanced by one year.
